

Consent to Transmit and Collect Information

I expressly request Polly Insurance Agency, LLC (“Polly”) share my and my co-applicant’s/additional insured’s information, including but not limited to name, email, auto VIN, subject property information, garaging information, gender, Social Security Number, date of birth, marital status, claims history, lender, and loan information with my lender, auto dealership, insurance companies that work with Polly, third parties who Polly may transfer such information to (whether for consideration or not), and their respective agents and affiliated companies (Polly, together with all such parties, the “Insurance Providers”) for purposes of generating insurance quotes underwriting an insurance policy. I also authorize the Insurance Providers to share their quote and other information about me with Polly and each other in order to present me with their offers.

I expressly consent to the Insurance Providers obtaining one or more consumer reports about me and my co-applicant/additional insured, which may include a credit-based insurance score, claims history, and prior coverage information, in connection with my request for insurance. I understand that this will not impact my credit score and that I may contact the Insurance Providers to request that they provide the name and address of the consumer reporting agency that provided the consumer report.

If I select Polly to provide insurance verification, I consent the Polly transmitting my name, vehicle information, property address and any other information to a third party to verify my insurance and to provide such verification to my lender or auto dealership on my behalf and to Insurance Providers for purposes of providing comparative insurance quotes.

I understand that I may be able to obtain an insurance policy on better terms than those presented in quotes from the Insurance Providers and that I am under no obligation to purchase a policy through the Insurance Providers.
